**Subject: - Two-Day Training Workshop on SPSS & End Note**

Office of Research Innovation and Commercialization (ORIC) is organizing a Two-Day Training Workshop on SPSS & End Note on 29-30 April, 2014 at DRSM Library for capacity building of researchers and faculty. The workshop will be conducted by Mr. Nadeem Ahmad (Technical Consultant UNIDO, a graduate of University of Tsukuba, Japan).

The first day of the workshop is designed to understand the key concepts and methods of data management, stages of statistical analysis, exploratory data analysis, ways of data presentation, managing references, exporting references, managing in-text citations, lab work 2 hrs. The second day of workshop will focus on quantitative and qualitative data analysis including statistical inference, statistical tests, using statistical outputs, interpretation of SPSS output and review of endnote.

The registration is open and can be confirmed by submitting the filled-in registration form (attached) along with registration fee Rs. 1000/- to the undersigned.

It is requested to kindly circulate the information among research students.

**Director ORIC**
