3rd International Conference on Applied Zoology (ICAZ-2020) (Virtual)

December 07-08 2020

To Address Inspirational Motivation of Applied Zoological Sciences in the Age of Uncertainty

Quaid-i-Azam University
Islamabad

Aims

The Applied Zoological Society of Pakistan (AZSP) invites you to participate in 3rd International Conference on Applied Zoology (ICAZ) to address emerging research & new challenges in multi disciplinary areas of Zoology. The motto of this conference is to bring together leading academicians, scientists, researchers, scholars, medical practitioners and various industry professionals from all around the world to a common platform and have scientific discussion on the latest advancements in interlinked domains of Applied Zoology. The conference is going to build a new enthusiasm among the people who realize importance of Animal Sciences focusing on diversity and biology of animals in the light of classical and modern concepts with integrative disciplines covering from gene to ecosystem level through exploring and exploiting novel techniques in the field of Applied Zoology.

The Applied Zoological Society of Pakistan (AZSP) was established in 2018 by the Department of Zoology, GCUF.
