No.QAU/P/BH/2012-

Dated: - 03-09-2012

**Subject: - Non availability of Hostel accommodation for newly admitted M.Phil/Ph.D Students.**

It is regretfully intimated that the hostel administration is unable to entertain fresh applicants of M.Phil & Ph.D for hostel residence in Fall-2012 as the existing list of such students awaiting allotment is larger than the available vacant seats. As per practice in vogue, students on waiting list are given priority. Hence, in existing circumstances; even a considerable number of students, on waiting list would not be able to get hostel accommodation due to limited vacant seats.

All the Chairpersons/Directors of Departments/Institutes are requested to convey the aforesaid situation to the new entrants, before awarding admission/joining, so that they know they have to make their own arrangements at stay outside the Campus.
