5-Day Workshop on Working and Handling of NMR, FTIR & Cyclic Voltammetry
(July 01-05, 2013)

Electronic Equipment Maintenance Cell
Department of Chemistry
Quaid-i-Azam University
Islamabad
Introduction

This being the second workshop on the subject to be held in the Department of Chemistry, Quaid-i-Azam University Islamabad. The objective of the workshop is to train/refresh the relevant faculty members as well as technical staff of research organizations and educational institutions that are managing and operating various instruments. The workshop should enable the institutions to utilize the resources with maximum efficiency. The nominee faculty members will undergo a training program that includes relevant theory and operation of the instruments.

Main Objectives

- To educate participants through brief lectures about theory and working principle of the instruments.
- The working principle of the instrument will be demonstrated through experiments.

Instruments To be Covered During Workshop

1. NMR
2. FTIR
3. CV

Registration Fee

The registration fee is Rs. 5000/- (For Students only)
Rs. 10,000/- (For Teaching and Technical Staff)

Last Date of Registration
21-06-2013

Sample Registration Form

Name: ________________________________
CNIC No: _____________________________
Designation: ___________________________
Organization: __________________________
